The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This location sits on a large piece of property that has ample parking for both equipment and cast/crew vehicles. However, it is important that these vehicles park in designated areas to ensure that filming-related activities have minimal impact on adjacent neighbors.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **All equipment and/or cast crew vehicles must be a minimum of 75 feet from the property line of the houses on Midlothian Drive.**
- **All trailers, motorhomes and honeywagons must be run off a principal generator instead of their individual generators.**
- **Kengary Lane is a private road. Production companies must contact a representative from the Kengary Lane Association to gain permission to use the road as access to 2150 E. Mendocino Ln.**
- **Cast and crew may not park on area streets.** Off-street parking must be provided.
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.**, unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.

Note: Any variance from the above conditions requires signature approval from a significant number of affected residents. Signatures must be obtained in accordance with the approved FilmL.A. Filming Survey process.
